Subject MUR 6734 - Request for Short Additional Extension

Mr. Jordan and Ms. Collins:

As you know, my firm represents Jeffrey Hurt, Donald Simms, and Susan Simms in the above-captioned matter. Pursuant to the extensions of time you kindly granted for the responses to the complaint, we would need to file with you tomorrow and the next day. We have not been able to complete the responses as planned due to complications in determining which contributions should be attributed to the named respondents and whether contributions were reported properly by recipient committees. We want to be as helpful as possible so that the Commission has the proper factual information to evaluate.

I respectfully request an additional short extension of time—until July 11—for all three respondents so that we can provide useful and thorough responses to the Commission.

Please advise as soon as possible regarding your disposition of this request.
